NOT A DOLLAR OF UNNECESSARY TAXES.—Burkham.

VOTE FOR ROBERT BURKHAM FOR MAYOR

"Lieut. Col. Robert Burkham, United States Army for exceptionally meritorious and conspicuous services. By his exceptional ability and energy he successfully organized and put into efficient practice the claims department of Requisitions and Claims Service. The successful handling of many complex problems in respect to the adjustment of claims was due in a large measure to his high professional attainments and sound judgment. He has rendered services of signal worth to the American expeditious forces." Citation by U. S. Army accompanying award of Distinguished Service Medal to Mr. Burkham.

TO THE COLORED VOTERS OF ST. LOUIS:

A change in the Mayor's office is necessary—Necessary for the economical, efficient and progressive administration of the city's business. Necessary to perpetuate the American principle that third terms in executive offices are unwise. Necessary to keep as low as possible, the taxes, which are now a heavy burden on all the people.

The Republican party will nominate its candidate for Mayor in the primary election, March 11. After a thorough investigation we have reached the conscientious conclusion that Robert Burkham, possessing a thorough, practical knowledge of the city government and its needs, is admirably fitted for the office of Mayor.

He is pledged to an honest, efficient, economical and progressive program in city affairs. As citizens and taxpayers you are tired of promises unfulfilled.

You know that the record of Robert Burkham as an up-standing citizen—his distinguished service to his country during the war in which he won high honors, on account of his high professional attainments and sound judgment—insures the same high order of service in our city affairs.

For these reasons we urge every Colored voter to go to the polls, March 11, and vote for Robert Burkham for Mayor.
